COPPER PRODUCTS

"WE INNOVATE BY STARTING WITH THE CUSTOMER
&
WORKING BACKWARDS.
THAT BECOMES THE TOUCHSTONE FOR HOW WE INVENT."

BB COPPER was established with an aim of creating broader well-being awareness about the multiple health benefits of copper products and this vision was infused by the company's CEO, **VIKAS** in Mathura, Founded in 2016.

BB COPPER is an established manufacturer, exporter and sùpplier of vast range of copper products in India while offering a versatile range in household, hospitality and corporate sectors.

We always work at creating and visualizing diverse and unique designs by keeping in mind our customers preference which help us conceptualize beautiful and aesthetic products.

Pure Water
IS THE WORLD'S FIRST & FOREMOST MEDICINE.
